

Megaboost® IV Therapy

Megaboost® is packed full of minerals, antioxidants, electrolytes, Vitamin B12 and a high dose of Vitamin C to help bring your body back to a happy equilibrium. Increase your strength and energy levels and combat the effects of traveling, jet lag or just a busy lifestyle with our help.

To redeem your complimentary Megaboost® and kick start your wellness journey simply head over to revivme.com and book where and when you would like your therapy. Please bring this card along to your appointment.
