REVIV IS THE GLOBAL LEADER OF VITAMIN AND NUTRIENT IV THERAPIES AND INJECTIONS

With five different IV therapies targeting a variety of wellness needs, REVIV replenishes hydration, assists recovery from illness or jet lag, provides hangover relief, restores vitamin and nutrient levels, refreshes cosmetic appearance and revitalizes overall well-being.

REVIV offers four vitamin and nutrient injections ranging from Vitamin B12 for lasting energy, Slimboost to assist with natural metabolic weight loss, Vitaboost to promote overall wellness and CoQ10+ to power up fitness routines.
